Also, did you know that over 120 Million people browses the internet every single day worldwide? It's like having your door opened to 120 million visitors.

**Did you know that every minute, over 3,000 people are buying computers and or any other internet communication device in North America? 3, 000 people ,every minute, get used to the internet or upgraded and advanced their usage of the internet every minute.....
.....and while they get there, we keep them happy, intriguing, excited and busy shopping with our innovative and diversified links variety interlude.**

In other words, If you are not looking to buy Auction items you might want to find a girl or boyfriend or go on the chat line or go blogging or use the yellow pages, or find a new home or buy a new car or post your resume and look for employer or try to win a bank credit card or win cash, or post your videos and much more, the fun never ends.

We give our advertisers up to 8 or more different choices of advertising and consumers, 8 choices of browsing to find advertisers.

Our services are FREE to the general public, members and visitors to the site. Only business advertisers pay \$5 a month and they can advertise in all the channels

If you compare our “\$5 FOR ALL” fee to that of our competitors pricing, you have saved over \$170 a month.

We would have about 3 million advertisers paying that little, affordable \$8 monthly (remember that a few competitors have more than 120 million members and 15 million advertisers). These 3M advertisers will generate for us a steady income of only \$24 Million - \$30 Million monthly, \$300 Million a year. We need you to help us expand aggressively.

Invest in us and let's all share this abundant wealth. We have various investment options for you and we're paying up to \$3.5 million a year TO INVESTORS, PLEASE VISIT: WWW.DR-IZZY.COM AND WWW.G4D.BIZ FOR A FULL INVESTMENT OPPRTUNITY INFO.
